

TICKET 2 WELLNESS BULLETIN

April 2015

Winners Circle

Student winners from Casa Ramona Academy, The School of Arts & Enterprise, and Magnolia Science Academy 1.

T2W MEAL INCENTIVE PROGRAM

This year is quickly coming to a close. We have enjoyed looking at the excited students in the photos everyone has shared with us. Our last Ticket 2 Wellness prizes will be distributed in May.

In June, we will have two special grand prize drawings. The first will include all the student winners from the entire school year. Make sure you are sharing the names of your student winners so they can be included in the grand prize drawing. The prize is a brand new bike!

Our second grand prize will be for two teachers or staff members who received a special recognition plaque this school year. These recipients have a chance to win a \$500 gift certificate to Travelocity!

Don't miss out on these chances for your students, staff and teachers to win a prize! Email Gloria Boccato with the winner's names today, gboccato@better4youmeals.com.

Rebecca Zapata from Palmdale Aerospace Academy shares, "Our students really look forward to their 'ticket' days and the teachers are loving their plaques!"

WANT MORE?

Does your school want to have more "ticket" days? We would love to offer multiple Ticket 2 Wellness days for all students. To do so, we need your help! Does your school offer free dress days or other incentives for students? We can work closely with you to find award incentives for your students with little to no cost.

DON'T FORGET!

Students who win the Ticket 2 Wellness prize can nominate their favorite teacher or staff member. B4YM will present the nominee with a special recognition plaque. May 5th is National Teacher Appreciation Day, this plaque would be a great gift!
